

The water cafe:

A playful installation with two players

Playing time: 180 minutes with a break of at least 1 hour in the middle.

Installation size approx. 10-12 meters in diameter.

A smaller installation is also possible.

Ground level if possible

Electricity and water connection are not necessary

The team:

Two players

Set-up and dismantling:

Set-up must be possible at least four hours before the start of the event and takes approx. two hours. Dismantling takes approx. one and a half hours

Hotel accommodation:

Two double rooms for the players, as we are traveling with our two children (born 2007 and 2014). Or one family room.

Vehicle:

We are traveling with two vehicles. A minibus for production and a car for the family.

For loading and unloading, we need to be able

the minibus as close as possible to the playing area. There

We need two parking spaces as close as possible to the venue.
